Counsel:

Thank you, again, for taking the time this morning to further discuss the contemplated mediation in the Clearview matter. As was discussed during the call, I have spoken with counsel for each of the plaintiffs in the *Clearview AI, Inc., Consumer Privacy Litigation* MDL, No. 1:21-cv-135, to invite them to participate in the contemplated mediation before Judge Andersen. At present, counsel for each of the plaintiffs, other than your clients and the plaintiff in the *Broccolino* matter, has agreed to mediate. (During the call, Joe indicated that he was participating in the call on behalf of Ms. Broccolino, as well as his clients.) I hope that you also will decide to be part of the mediation. If another call would be helpful, please let me know. Enjoy the rest of your weekend.
